## **VOLUNTARY ANNOUNCEMENT**

### **Chinasoft Becomes HUAWEI HiLink Eco-solution Provider Contributing to the Smart Era of Internet of Everything**

This announcement is issued by Chinasoft International Limited (the “Company”) as a voluntary announcement to allow the public to understand the latest information on the Company.

Chinasoft is pleased to announce that the Company has recently signed a HUAWEI HiLink ecological service cooperation agreement with Huawei Terminal Co., Ltd. (hereinafter referred to as “Huawei”). The Company has become a HUAWEI HiLink ecological solution service provider relying on the development and service capabilities of Harmony OS, HMS (Huawei Mobile Services) and HiLink platforms, its rich experience in industry application development, and the ecological advantages of the JointForce platform. The Company will work with Huawei to develop and serve the HUAWEI HiLink ecological partners and help HUAWEI HiLink ecosystem to prosper.

The HUAWEI HiLink platform is an open platform for smart hardware ecological partners and an IoT ecological strategic platform that connects Huawei and ecological partners. Relying on the large number of users of Huawei’s consumer business products, the platform fully opens the capabilities accumulated in the AIoT field to ecological partners, realizes the interconnection of cross-brand smart devices, and provides consumers with high-quality “1+8+N” full-scene smart life experience.

As a leading HUAWEI HiLink ecosystem solution provider, the Company will build full-stack IoT intelligent services:

1. Provide ecological partners with HUAWEI HiLink platform access, testing and certification services, and enable ecological partners to quickly access the HUAWEI HiLink ecosystem;
2. Provide ecological partners with intelligent value-added services based on the HUAWEI HiLink platform, enabling ecological partners to intelligently access the HUAWEI HiLink ecosystem;
3. Based on the Jointforce ecosystem, gather more ecological partners to help the prosperity and development of the HUAWEI HiLink ecosystem.

Looking forward to the future, starting with HUAWEI HiLink service enabling ecological partners, the Company is committed to becoming a full range of HUAWEI HiLink ecosystem enabling service providers. The Company will continue to seize opportunities in the IoT industry, and through cloud-driven and AI empowerment, to contribute to a safe, controllable, and intelligent era of Internet of Everything.
